FAQ's - frequently asked questions.

How do I join Youth online?

We use zoom to meet and talk online, get in touch as we'll send you the link.

If we come to the church do we need to wear face coverings?

Yes adults and young people over 11 yrs do, children under 11 do not. You will need to wear a face covering at Sunday Youth and Youth Clubs.

Where do I go for the Sunday Youth Hangout?

Make sure you've filled out the online consent form before you come, and bring a bottle of water. Go straight to the Hub from 10.50am.

How do we book our space to attend the 11am service or the All Age Service?

No need to book, we'll see you there!

Do I need to book to attend the Youth Socials or the Youth Clubs?

You will need to fill out a consent form online once, to attend any youth events. But you don't need to book in advance.

Is it safe to be back in the building?

Our first priority is the safety of the children, families and the team members, so we have put measures in place to comply with current Church of England guidelines.

Nonetheless, the risk of transmission of Covid-19 cannot be entirely eliminated and everyone present must work together to ensure as safe an environment as possible. We encourage you to make your own assessment of the risk and to make the best decision for your household.

How can I keep growing in my faith?

In this time it can feel easy to feel a bit disconnected.

But there's lots of ways to keep connecting with God in our homes. Reading, drawing, listening to worship music, talking with friends.

And we can ask God to keep being part of daily lives and filling us with his holy spirit, changing us from the inside out.

And we're always here to chat and pray with too.
